Students will be notified in advance if audio and/or video recordings will be made of any class meetings and may opt out of using their microphone or video camera. To protect student privacy, access to the recordings will be restricted to members of the class, the instructor, and instructional support staff. Students will also be notified if audio and/or video recordings will be required as part of specific course assignments or online test proctoring.

A student granted permission by the instructor to make an audio or video recording may use the recording only for his or her own study purposes and may not publish or post the recording on YouTube or any other medium or venue without the instructor's explicit written authorization.

Please contact your instructor if you have any questions or concerns.

Philosophy of Inclusion

Front Range Community College is committed to inclusive excellence, educational equity, and advancing opportunity for all.

Inclusion is a powerful experience. Students and employees at Front Range Community College agree that inclusion evokes a sense of well-being, supports success, and fosters a sense of belonging in each person that says, "I matter." Inclusivity within our student and employee communities is critical to achieving our vision for students at the college: that all students accomplish their educational and career goals.
